

*Training – Greater Knowledge for  
Greater Success*

**Efficient work** requires more than just the right **software** – you also must be able to **operate** it.

Our training courses make you **fit for the future!**

**Motivation**

## Learn from the best and become an expert!

- First-hand knowledge from expert **trainers having practical know-how**
- Long-established and **well-proven knowledge transfer**
- Getting to know the functions to **tap the system's full potential**
- **Practicing** the acquired knowledge in the training system
- **Targeted learning** thanks to a large range of topics
- **Online** learning from home **or face-to-face** at one of our international training centers

**Why Should I Attend an MPDV Training Course?**

**Find the appropriate training course – no matter if you have previous knowledge or not!**

Newbies or developers: The training program is structured in different modules. So everyone will find the training course that best suits their needs.

The target group includes:

- Key users & users
- Advanced users
- Project managers
- Administrators
- Developers

**Target Audience of the Training Courses?**

**Online or face-to-face – you decide your favorite way of learning!**

You can book all training courses as **online training** format or you attend a **face-to-face course** at one of **MPDV's training centers** in Mosbach, Hamm or Munich.

You want to book a training course for several employees and save travel costs? No problem - our trainers will hold an **on-site training course directly at your company.**

## Training Formats

**4 hours or 4 days – our training courses cater to your needs!**

Choose your course from more than 50 standard training courses or have a training course tailored to your requirements.

- **Standard training:** Training courses providing standardized contents
- **Individual training:** Individual contents according to your requirements

## Types of Training

**Boost your knowledge and impress others – receive formal certification**

**A certification attests the expertise you acquired.** This will help you to remain calm in the face of any challenge. You will become a sought-after expert in your company and advance your career.

**Certification**
